

We're Now Accepting eReferrals

In an effort to save time and increase efficiency, we're now accepting referrals electronically.

If you're already using eReferral, please send your next referral to us as an eReferral. If you're not yet using eReferral, we encourage you to make the shift.

Benefits of Submitting Referrals Electronically

- Saves time and money
- Integration with most EMRs
- Keeps you and your patients informed of referral status
- Patients can confirm appointments electronically
- Decreases the need for multiple follow-up phone calls
- Quick and easy set up
- Hands-on training and solution set up provided by a local team

Not Yet Using eReferral?

If you are interested in transitioning to electronic referral (eReferral), set up is quick and easy. As part of the Ontario eServices Program, a local deployment team is ready to support you with training and solution set up.
